Boy Scouts of America

Dear Scout Leaders and Parents,

First, I would like to thank you for your service to our youth and supporting Scouting! We know that in today's day and age there are lots of choices of organizations, but we know that Scouting has been preparing our Youth for over 100 years to be successful citizens.

On behalf of the Evangeline Area Council and the 2022 University of Scouting (UoS) team I welcome you to this year's ultimate training event at Acadian Ambulance Training Center Lafayette, Louisiana.

We have organized a single day packed with a year's worth of fun, program ideas, and information – the largest single training event for Adult Leaders, Parents and Youth (ages 11-17) in Evangeline Area Council! In addition, you'll have the opportunity to meet and share ideas with other like-minded friends of Scouting throughout the area. We encourage you to use your time between classes for networking – meet up with old friends, make new friends and enjoy a great lunch. Just as we have in previous years, we will have a kid zone for youth ages 10 and under. We will provide games and activities for your child while you are taking classes.

Of course, we could not do this without the exceptional dedication and support of many volunteers. From instructors to the administrative staff, I thank you for your efforts to make this a spectacular event. I also thank those who came before me and put together a great program. Their efforts coupled with ideas from other University of Scouting program across the BSA make for a great training opportunity!

We are pleased to host our event at Acadian Ambulance Training Center this year and are very fortunate to have access to an exceptional facility.

We look forward to hearing your feedback! UoS has not been present for a few years and just like anything else, will have its kinks and hiccups. As our customers, we want to provide you with the best possible product. Only feedback from you, the student, will be able to increase the level and quality of training and the opportunity to try new things.

This document has all the information you need to plan your day and to be prepared. Please take a few minutes to review, learn how to read the schedules and understand how you can pre-plan your classes so when it comes time to register online you will have all the information you need. Should you still have any questions please feel free to contact me by sending email to Jasonmiller.LUS@gmail.com. There is something there for everyone at UoS!

On behalf of the youth in Evangeline Area – a sincere **THANK YOU** for joining us! By your registration you have indicated your dedication to the principle that every Scout deserves a trained leader.

Jason C. Miller
2022 University of Scouting Chairman
Evangeline Area Council, Boy Scouts of
America

Do you want to be a better youth leader? Join us for the 2022 University of Scouting, presented by the Evangeline Area Council on Saturday, March 11, 2022 from 8 AM – 4:30 PM at the Acadian Ambulance Training Center. This catalog provides course descriptions, along with class times and instructors, to assist participants with on-line registration.

What is the University of Scouting?

The University of Scouting (UoS) is Evangeline Area Council's premier one-day supplemental training opportunity for all registered adult Scout leaders and parents interested in becoming leaders or understanding what leaders in Scouting do and for Scouts (ages 11-17) who are interested in advancing outdoor skills or in General Studies. UoS goes beyond Fast Start, Specific and even Advanced Training to impart knowledge & skills on specific topics that help leaders excel in their efforts to deliver the promise of Scouting. The UoS goal is to provide information that is practical, immediately useful and not readily available at the local unit level. To that end, our instructors bring skills and insights to UoS that have been developed through many years of Scouting experience. UoS is also a great opportunity to network with other Scout leaders, make new friends, and share best practices throughout the Council and its Districts. This year we added some round table discussion groups designed to get your questions answered from experts in their fields. Additionally, new classes were added to improve the volume of learning.

What will I do at UoS?

You will take classes that you are interested in learning more about that will assist you in providing a Quality Program to our youth. Note that you may take any combination of courses from the colleges of Cub Scouting, Scouts, BSA, and/or General Studies.

How do I Register?

Online registration opens on February 21st. To register go to the training section of www.eacbsa.org

Registration may also be made at the Scout Office through **March 9, 2022**, the cost for UoS is \$20 for participants, which includes a UoS patch, lunch, and handouts. **On March 10, 2022, the registration cost increases to \$30. Walk-in registration on the day of training increases to \$40, \$5 for lunch provided we have tickets left and lunch is not guaranteed.** During online registration, you will select classes organized within six periods, corresponding to the starting times of the classes, as itemized in the course listings herein.

Kid zone fees are \$10 before March 14 and \$20 day of event. Fees include lunch, patch, and program materials.

Like last year, Scouters can pay as you go. Only see two classes that you want take? Sign up and pay per class, this year we will charge \$5 per class. Scouters desiring to eat lunch at UoS must also pay a \$5 fee for lunch.

STOP!!! Are other leaders in your unit attending this training? Take advantage of the 50/50 option. If 50% of your registered leaders attend UoS and register before March 14 the cost is \$10 per Scouter. Registered Scouters must sign up for the entire day of training. Leaders register individually and pay the regular price, after UoS refunds will be made to Units. Parents and Youth costs remain \$20 each.

Both registration and payment must be turned in prior to March 14, 2022, or the registration will be considered late. Based on class selections and the instructors, classes may be cancelled and participants will be notified to change their selections.

Leader Specific Program

Every scout deserves a trained leader! Let’s make our Council 100% trained. To help us achieve that goal UoS will provide a Trained Patch to all leaders that are 100% trained for their current registered position or a position they are considering registering for in the future. This is being offered to parents, new leaders and leaders who have never attended training for their specific leadership position.

How Can I Volunteer to Teach or Serve as Staff for UoS?

Volunteer instructors are selected by the respective Deans from each College. Faculty Tuition is as follows: FREE if teaching at least three (3) class periods and \$5 if under two to cover lunch. Volunteers teaching or assisting with UoS will be counted as participating leaders and will count toward 50/50 incentive.

What do I get for attending UoS?

Every participant attending UoS will get a temporary patch which can be worn on your uniform’s right pocket. Leaders who are 100% trained in their position and attend UoS can also earn the coveted T3 Council Shoulder Patch. Baden-Powell believed in trained leader, show everyone that you are Youth Protection (YPT) ***Trained***, Position Specific ***Trained*** and UoS ***Trained***. Do you see the common tread? Be T3! Anyone wishing to earn this patch must bring a copy of their YPT certificate and position specific training and attend at least four (4) UoS classes.

UNIVERSITY OF SCOUTING REGISTRATION INFORMATION

1. Please read the entire brochure; each college offers numerous classes.
2. Participants may attend classes offered by any College. Some classes may have a limited class size and will be filled on first come, first serve basis before we process your application. If you develop two or three alternate choices, you should have little trouble getting at least one of the three courses of your choice.
3. The University reserves the right to cancel classes or make appropriate changes in order to accommodate the largest number of Scouters.
4. To indicate your preferences, consult the attached **Class Schedule Grid (Appendix A)** and make your choices accordingly. Classrooms will be assigned after registration is complete and the maps (Appendix B) will be provided at registration. There are some courses offered at more than one time. Please note the scheduled times for all your courses and schedule to avoid conflicts. Please select one course in each period column by writing the course number on your registration sheet or when you register on line.
5. When you arrive at the University, there will be two separate lines for check-in: those who have pre-registered and a walk-up registration table
