

Cajun Rendezvous

The Evangeline Area Council

2022 Leader's Guide

The purpose of the Cajun Rendezvous ("CR") Formerly known as "Shoot & Swim" ("S&S") remains and will hopefully always be expressed in the mission statement of the Evangeline Area Council's Shooting Sports Committee. ***"Provide and promote opportunities to introduce and develop youth interest in the safety, discipline, skills, and fellowship of the Shooting Sports by offering quality programs."*** No other hidden agenda.

The "CR" is also intended as an opportunity for the Troops and Crews to take advantage of the wonderful shooting ranges, adventurous climbing tower, ATV's and breath-taking Mountain Bayou Lake we have at Lost Bayou Scout Camp and is a gift for you from the many volunteers who make the "CR" a fun experience. Hopefully many of you will be able to take advantage of this opportunity.

Yes, we are asking for a small \$25 fee (lunch included) to help cover some of the cost of ammo and make minor improvements to our ranges and equipment.

The mere basis for this program to be a success is the youth and leaders that attend. **All Units are responsible for doing the basic training as set forth by the Scouts BSA in Shooting Sports Safety and Swimming Ability.** A Contract for Safety and brief Safety Check List is included in this guide and **must** be completed and submitted when checking in.

The CR will be run very similar to a camporee in that all Troops and Crews are invited. **(Sorry, but because of the firearms this is not a Cub Scout or Webelos event, they will not be allowed to participate.) Only Scouts ages 11 and up are able to participate in the shooting events.** Troops/Crews are responsible for their own food, other than lunch (which is provided) and camping gear. There is no "staff" per se, but only a handful of dedicated volunteers to help put on the competitions. There is always room for anyone wishing to help with an event. Individuals trained in Shooting Sports are especially welcomed.

This is a fun event, but everyone should remember they are Scouts – First. The "CR" staff will not perform campsite inspections and no camp gadgets are expected or necessary, but Scout spirit is always noted and appreciated. It is YOUR camp to keep clean and healthy. Your reward will be the satisfaction of a job well done for YOUR camp.

Email Richie Colonna at Richie.colonna1963@outlook.com if you'd like to volunteer and let us know which event you can help with.

WHAT: A gathering of Units for fellowship, shooting, and climbing. . Units are responsible for themselves just as they would on any typical weekend campout. This "Cajun Rendezvous" is an opportunity for Scouts to enjoy some friendly competitive activities similar to the tradition of an old-style camporee.

DETAILS: This is a great camp for Scouts ages 11 and up.

Everyone (even those coming up just for the day) must register. Those camping **must** do so as a Unit, with at least two (2) registered adults per unit in camp at all times.

Camping overnight must be done through Richie Colonna.

Two deep leadership for each unit is required just like with any unit outing. Leaders should take this to heart and consider the possible ramifications when leaving camp and assuming that a replacement leader will show up later.

Competitions are individual based, but everyone is expected to have a "buddy" for the entire weekend. Youth found without their buddy(s) will be escorted to their Adult Leader. Regular Lost Bayou Scout Camp camping rules should be followed by everyone and enforced by all Adult Leaders.

Food, tentage and sleeping gear are the responsibility of the unit just as it would be on any campout.

Campsites will be determined upon pre-registration totals and will be assigned at camp site at check in.

ALL participants (youth and adult) MUST have attended and signed a "CONTRACT" stating they have attended a shooting class offered by the Troop/Crew. PLEASE NO EXCEPTIONS! These "CONTRACTS" will be collected at check-in when the unit arrives at camp. Leaders will receive an armband for each paid participant and are asked to distribute the bands accordingly. Only Scouts BSA and Crew members properly wearing their armband will be allowed to participate in the programs.

SCOUTS BSA POLICY STATES THAT NO PERSONAL GUNS OR AMMO MAY BE BROUGHT TO CAMP

NOTES FOR ALL:

1. ALL Scout Youth and/or Scouter Adults MUST have attended a unit run safety class, signed the safety “Contract” and paid the registration fee. Remember, you are on your honor.
2. All Shooting events are scored as individual competitions.
3. First, Second and Third place will be awarded in Scout and Adult categories.
Top Shot- Best Overall in each age group
4. Adult Unit Leaders wishing to volunteer to help with supervising an Event Station, Assisting at an Event Station and Scoring are asked to contact Richie Colonna at Richie.colonna1963@outlook.com
5. Event Safety Officers, Registration Officers, and Official Scorers are needed for all Shooting events.
6. Average anticipated time allotment for each event is 50 minutes. The decision whether or not to allow participants to try events more than once will be left to the discretion of each Event Lead Safety Officer.
7. Remember that each Youth participant must be with a buddy at all times, but the buddy is not required to participate in any event.
8. Unit Leaders who are not otherwise participating are invited to help run an event by volunteering to register participants, keep score, and provide safety assistance for the Event Range Officer.
9. Units are encouraged to host Event Leaders and volunteers for in camp meals (breakfast / dinner).
10. Units are more than welcome to organize and invite other units to participate in safe Scout-like activities (games, fishing, compass, hikes, nature / service project) so long as they do not go against Lost Bayou Scout Camp or Scouts BSA policies.
11. Awards / trophies for the competitions will be awarded in the Dining Hall in the evening.
12. Scouts BSA uniforms (A or B) are always correct, but not required. Each Unit should wear what they would on any unit campout. NOT ALLOWED are inappropriate T-shirts, bare feet, open-toed sandals, or soft soled aqua socks.

Unit Leaders are reminded that enforcement of the Scouts BSA, Evangeline Area Council, and Lost Bayou Scout Camp rules are just as much their responsibility as someone else.

SAFETY POINTS TO CONSIDER FOR THE CAJUN RENDEZVOUS

It is important for Unit Leadership to set **SAFETY** as the “tone” for the CR. Yes, it is a “Fun Weekend”, but with that fun, comes the responsibility to act in a manner that ensures everyone’s safety.

1. The Unit and its’ Leaders are responsible for the behavior of its’ members. All the rules, policies and procedures of Scouts BSA, the Evangeline Area Council and Lost Bayou Scout Camp are to be followed and adhered to. Simply put, Units attending the CAJUN RENDEZVOUS should consider that they are camping at LBSC with other Troops/Crews that happen to be there at the same time. Safety of the members of your Troop/Crew and consideration of your neighbors is paramount.
2. Our Camp Ranger, Camp Masters, Range Officers / Event Leaders are at camp to assist and provide program guidance, but not to run the Troop/Crew. They will enforce camp and range rules and in those instances their decision is final.
3. The safety of everyone is paramount, but this should not deter your fun. As the Good Book says, there is a time for everything. A time to play and a time to pay attention. As a courtesy to everyone around the competitive events; do not be distractions. There will be a time to be quiet during instruction and a time to cheer on your buddies.
4. The buddy system is a must. Unit Leaders are expected to enforce this philosophy. A buddy does not have to participate in a competition but should remain with his buddy to cheer him on.
5. Remind everyone to plan their time to maximize their fun.
6. All basic safety rules for all events will be enforced. The safety rules for all the events would make up a good size booklet, but that does not make those rules any less important.
 - a. Units should review the basic safety rules found in the Merit Badge pamphlets for:
 - i. Archery
 - ii. Rifle / Shotgun
 - iii. A.T.V.
 - iv. Climbing
 - b. Units should review the basic Shooting and Safety Rules found in the most recent issue of the Guide to Safe Scouting.
 - c. Unit Leaders should feel free to take this opportunity to impress safety through use of materials produced by the NRA or NAA or any other organization as appropriate.
7. Participants should be practical in their choice of events. Range Officers will help in the decision process, but someone who has trouble holding up the shotgun or pulling back on a bow will not have a good experience. Be practical.
8. The decisions of the Range Officers are final. With the exception of the Ranger, EVERYONE at the CR is a volunteer. Your understanding, help and encouragement are appreciated; your kind comments and helpful suggestions are welcomed.
